Applications of Psychoanalysis to Families of Soldiers Serving in Iraq and Afghanistan

A Pro Bono Program
Under the Auspices of the
Psychoanalytic Couple and Family Institute of New England
(**PCFINE**)
With the Support of Other Psychoanalytic Organizations

PCFINE reports on the development of its award-winning community outreach program to provide psychological services to the families of Reservists returning from Afghanistan and Iraq. We will discuss the work leading to the start-up phase, which we consider a pilot project, and plans to launch a national project by mobilizing analytic groups and institutes from coast to coast.
